Autism Spectrum Training

This fall God has given us the opportunity to minister to families with children who are likely on the Autism Spectrum through our Awana program. We are very thankful for this ministry opportunity but have realized we need to know more about strategies to help these children.

I am so excited to share that we have scheduled training session for you, our ministry volunteers, and others in our church family with Dr. Sally Burton-Hoyle. We are indeed fortunate to learn from Dr. Burton-Hoyle, one of the premier experts in Autism Spectrum Disorder in Michigan as well as the nation. She is a professor and one of Dave's colleagues in the Special Education Department at Eastern Michigan University.

The training will be Saturday, November 13th from 10-noon in the Fellowship Hall. Please make plans to join us for this incredible opportunity to learn to better minister to our children and their families. To help with the planning (and to be sure we have enough goodies), please sign up on the sheet in the entrance lobby of the main building or email Kathy Winters that you are planning to attend.
