Enjoy this light-hearted children's series that will make your kids laugh and leave them with important truths to consider.

Season 2 Episode 5: A Giant Problem

Theme/Summary

How Will learned to exercise his faith.

Key Verse

Psalm 18:2

Character Trait

Faith

- Have you, like Will, ever had to choose between exercising your faith in God or being ashamed of your faith? What was that situation like? Which did you choose?
- Tinsley said that part of having faith is believing that God will take care of us, even if people are mean. Has anyone ever been unkind to you because of your faith? How did you respond?
- How does your faith in God help you when you face difficulties?
- In the Bible, King David is an example of someone with a strong faith in God. His faith in God gave him the courage to face and defeat Goliath, the Philistine giant. What did you learn about David and his faith in the Creators' musical? How can you apply what you learned to your day-to-day life?
- Will's situation ended on a positive note, but he still chose to leave the band because some of their music disagreed with his beliefs. When have you had to say no to something because of your faith in God? What led you to your decision? For what reasons was it the right decision?
- One of the important themes in season 2 of The Creators is the importance of community. The group of friends helps each member when they face difficult things. Who are the people in your life who support you when things are hard? What can you do to be even more involved in your community of friends?
