Praying the Bible

Psalms 42 - Spiritual Longing

How to Pray the Bible

1. Read slowly, phrase by phrase.
2. Pause and pray after each verse—use it as a prompt to thank, confess, request, or praise.
3. Be personal. Don't rush. Don't feel like you need to cover it all.

Psalms 42

Theme: Thirsting for God in spiritual drought.

Read Psalms 42.

Pray Through It:

- Acknowledge your spiritual dryness or discouragement to God.
- Ask Him to help you remember His past faithfulness.
- Speak to your own soul: "Hope in God, for I shall again praise Him."
- Ask Him to meet you with His steadfast love and to restore your joy.
