A New Book for You at the Parents Corner

Praying Circles around Your Children combines timeless scriptures with stories of parents just like you, which will revolutionize your prayer life and give you a new perspective on the power of prayer.

Along the way, Batterson shares five biblically backed prayer circles that will not only help you pray for your kids, but also pray through your kids.

In Praying Circles around Your Children, Batterson will give you the tools you need to:

- Create prayer lists that are unique to your family
- Turn your family circle into a prayer circle
- Claim God-inspired promises for your children

Throughout Praying Circles around Your Children, Batterson teaches us that our prayers for our children are the greatest legacy we can leave them. They even have power to shape your family's destiny for generations to come. It's time to start circling.

Ephesians 3:20-21 ESV

Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, to him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen.
